 like seven or six lessons ~~but we don't have to~~. ~~On~~  
~~Wednesday we have a lesson~~

I don't go for any clubs after lessons, but I like my  
 hobby - drawing. ~~After I done my homework I can go for~~  
~~a walk.~~

My good friend is Zlata. ~~She always likes to chew~~  
~~a gum at school~~. I have more friends, but we don't meet  
 very often

My favorite lesson is English. ~~I like to study other cultures~~  
~~of people from the world~~. I like all teachers in my school ~~because~~  
~~they're very cool and kind!~~

Every human had walked to school. My school number is 58 and it located in Kaliningrad. The school is very big, but unfortunately not as big as people in there. I'm must to go to school at Saturday, because school have too much people. I start school at 13:20, but on Wednesday I have V. Antonium, so I start at 11:30, and I hate it because I have to remove my tutor lessons at this day. In 5th grade I had to go to rock climbing apart from lessons, but now I can't do it because school starts at 13:20 and the rock climbing lessons starts at the same time too. I have school friends, their names is GASHA and MARK. My favourite lesson is biology and I like the biology teacher Nelli ANA TOIIEVNA. Biology is very interesting lesson for me, but I think my marks is not very good.

I think our school is one big mistake and I'm dreaming about having to another school but I can't because another schools are far from me.

Hello everyone! This post will be about my school. I think you will like it, so lets go!

My school is in a small, but so pretty city Kaliningrad. It's a new school and it is ~~so~~ giant!

My lessons start at 13:20 and ended at 18:15. I have six or eight lessons and ~~in~~ in my opinion it is quite a lot, because after and before school I have ~~such~~ a bit of free time. But the lessons are interesting, so time in school is going fast.

My school gives a lot many activities - lots of sports, clubs and hobbies.

Of course I have a lot of friends - some of them likes football, and some of them likes basketball or volleyball, another has another hobbies - guitar playing, gymnastic and etc.

All lessons is quite interesting, and the teachers are so cool, that why I like all teachers and all subjects.

It will be awesome, if you will be one of the student of my school!

Dear Jay,

Long time no see. Tell me about your first week at school. I hope you are having fun. <sup>Sorry</sup> I was not able to reply because I was on a cosplay party. It is a public event in my town. It takes place in a park on September sixteen. Usually there are a lot of people in their costumes. They try to look similar to TV or game characters. They go on a stage and join the competition of the best costume. My friend had won so we went to celebrate it in a cafe. <sup>Bye</sup> I have to go now.

I love you,

Bye

I had been on the marriage only once in my life. It was a big event when bride and groom involves guests and have a party. It takes place in big restaurant with many chefs. It was five or six years ago, when I was young. Many guests were involved like siblings of bride and groom, their friends and others peoples. On the marriage all ate many food that chefs cooked to us, danced with bride and groom, talk with other peoples, had fun while playing some marriage games and give a presents to new married. The marriage ended very calm and nice, in the end we were eating a special cake for marriage. It was very delicious and tasty. Cake was very big so all could have a piece. It was very fun and nice event!

Hello, today i will tell about an event, that is meant for celebrating Maslentsa, a holiday in my country. I've seen that event on TV and in real life too.

The event takes the place in the heart of Moscow, but also in other russian cities. It starts at the end of winter and lasts one week till spring.

On the event you can participate in lots of activities, such as pancake eating contest. Everyone can take a chance to get some prizes also.

The event ends with burning a giant doll, that is made out of straw. That is so hair-raising when you see that big bonfire!

 I'd love to tell you about a public event, which happened recently. It was absolutely unexpected! Some days ago was football match of my favourite team "Baltika" and I decided to watch it in the cinema. In that day my friend texted me that there would be one of my the players. I was so excited! I went to the cinema and saw my favourite player! Pryanin stayed with his followers and took photos with them. I was really happy to see him! I took photo and went to the cinema to watch the match. The match was great, but another team beat "Baltika" 1:0. However, it was the best day in september!

Usually I see a very interesting public event on the street. This event was stand up. A man was joking about everything. It was very funny. It was at Moscow. ~~the~~ Sometimes man had involves random people in his show. For example he asked girl about her work and said some jokes about it. That girl was laugh too! It was at evening when many people were going from work. I think it was good relax for them. At the middle of the show there were around two hundred people watching the show. Unfortunately I didn't watched it to the end because I needed to go home. But I liked it.

Few weeks ago, in September, I ~~had~~ <sup>have</sup> visited a Stray Kids's 3Racha concert. Stray Kids is Korean music band. ~~There~~ <sup>Band</sup> include ~~one~~ eight boys, but they have a unit, named 3Racha. There are three singers in 3Racha: Bang Chan, Seo Changbin and Han Jisung. They are producing songs. All Stray Kids's songs written by them. Also they have their own music. ~~It was Global Citizen Festival in New York~~  
 I like one quotation from song called "3Racha": "They always say the same excuses. While they're complaining, we're producing." That sounds ~~so~~ gorgeous.

It was Global Citizen Festival in New York. There were a lot of people. A huge crowd was singing their songs. In the end no one wanted to leave the concert but it finished. It was amazing.

There were volleyball competitions in Kaliningrad. It was one year ago. Many ~~the~~ schools were taking part in them. These competitions. I want to tell you about one day of competitions. ~~the~~ which was in my school.

My team and 3 other teams had to play with each other. We played lots of game sets. We won 3 matches and our trainer was glad. Only one problem was that one team was playing dishonestly and it was a real problem. Our judge ~~it~~ seemed that our judge was blind because he didn't notice anything ~~although~~ these problems we did it, and we took the first place.

I would like to tell you about the event, that I visited last month. It was our city band live concert. The concert took place in a central park, there was a big stage for their performance, their costumes and decorations were fantastic. There were not so many people, who bought the tickets, because tickets were expensive. The weather was nice, no rain, beautiful summer sunset. People were enjoying the music, having conversations, taking photos and <sup>making</sup> videos from performance to upload to their social medias. The event ended so atmospheric, the band played their most popular song, people were singing and dancing with them all together. I would love to see more events like this in our city, it's great way to find new friends and spend a good evening.

Two years ago I and my family were on the Victory parade. This event took place in the Victory Square of the city of Kaliningrad on the 9<sup>th</sup> May in 2021. First we saw hundreds of soldiers who were holding different Russian military banners. After them, we saw a lot of tanks and other armored vehicles moving through the Square. There was also an air parade, when pilots made some grooving tricks in the sky. On the event there were such people as Kaliningrad region governor Anton Alikhanov his ministers, war veterans and thousands of people, who were watching the parade. On the parade Anton Alikhanov said <sup>a</sup>the speech about importance of Great Patriotic war, which, on that time, <sup>had</sup>ended seventy-seven years ago. After the Victory parade some viewers participated in the Immortal legion, but we didn't. I really liked this event and want to see it again.

The only event I've ever seen in real life is "Sunny Summer" event at the countryside of the region. It took place at the main stage of town and, as you can tell by the ~~name~~ name of it, was at the middle of summer. It was the charity event and the mission of it <sup>was</sup> to raise money for people in hospitals who need it. Pro 63

As for ~~people~~ who was involved in the event, there were volunteers, town's famous people and young actors. The performance ~~and programme~~ of event <sup>was</sup> were very spectacular! Actors There was music and Play that actors did was really exciting! 94

What is the best way to distract yourself from your daily routine? In my opinion, it's the festival or <sup>the public</sup> event. When you <sup>are</sup> feel down in the dups what can be more interesting than this?

I wanna tell you about the festival, I attended last year. It was The Blood Moon festival in Japan. This festival is free and extremely fascinating. This event includes wearing unusual, sometimes even <sup>scary,</sup> ~~horri-~~ costumes and, of course, ~~a~~ parade. It ~~is~~ lasts 3 days. The best thing about this public event is food, I suppose. I don't know how to use chopsticks, <sup>so</sup> but I ate it with my hands, however the food was <sup>melting</sup> so good, it felt like it ~~was~~ melting ~~delicious~~ in my mouth, ~~so delicious~~. I also loved the idea, that all people did something fun together. The festival ended gracefully with fireworks display, and ~~music band's~~ ~~concert~~.

If I had a chance to go there again, I'd definately do it. This event <sup>made me think</sup> ~~means~~ a lot about my family's events, where we hang out together.

Lately I have seen a beautiful eye-catching event on TV. Of course, Paris Fashion Show is expected to be fascinating but what I saw was higher all my suggestions. Fashion show took place in a capital of France and was ~~lasting~~ ~~durating~~ ~~several~~ ~~days~~, since ~~at~~ 29<sup>th</sup> of September. Plenty of celebrities were attending this show. for example Donatella Versace, Lee Felix, Yang Jeongin. People were involved in different fashion activities and they definitely attended the ~~catwalk~~ runway that was surrounded by many professional models, designers, fashion directors and ~~brands~~ ~~ambassadors~~ <sup>s</sup> ambassadors. The event ended with an amazing models' ~~show~~ demonstration and interviews with popular global ~~and~~ fashion professionals.

Five years ago, in August, I was celebrating City Day in my home-town, Ryazan. There, famous artists from Russia are invited to perform on the big stage in the centre of Ryazan every year. Absolutely <sup>for</sup> free! It was evening when my grandmother and I came there to enjoy the songs of the popular Russian band called „Burrito“. Before that day, I hadn't known such artists but when I recognised their music and ~~known~~ figured out how well-known they were, I was pretty surprised.

They were singing songs for about two hours. In the end, they congratulated Ryazan people with their City Day and wished them good luck. It was a really nice evening

The most recent event I have attended was a music festival.

k1 3 It took place in a stunning area: the stage was placed right in  
 k2 1 the middle of the field nearby the Minsk city in Belarus. What  
 k3 3 appealed to me the most, is that it was an open-air event. It was  
 in August 2022, so the weather was warm and comfortable.  
 k4 3 Speaking about the festival, it was all about music. In the beginning  
 k5 2 of it, local bands were playing rock music. After that, a quite  
 famous musician Lyapis Trubetskoi showed up and performed for  
 about an hour. In the end of event all the crowd were enjoying  
 fireworks and barbeque

Some days ago I watched a TV show about a Coachella festival.

Coachella festival is the greatest music festival in USA. Every year it takes place in California and a lot of people come there to see their favourite artist or meet new interesting ~~peop~~ and creative people. Also a lot of celebrities are involved in this festival.

They visit this event to have fun. Artists are very proud of themselves when they get a chance to perform at this festival. Coachella lasts a few weeks and at the last day there is the biggest performing of the whole festival with the most famous artist. Each person should visit the Coachella festival.

Ladies and gentlemen I'm glad to announce you, that yesterday I have visited the paintings making event. Lots of teachers from ~~univer~~ schools of art made special station for every beginner or amateur artist. And if it is not your cup of tea, instructors were there to show you the rope to help you to overcome your difficulties and rise the challenge. It took place in central park and not only the ~~3~~ teachers and artist were involved, but also the musicians to make the atmosphere. As for my personal review, I would say that it is worth visiting, especially because at the end you could get your piece of art at home. Next year they are going to us and I'm looking forward to it, hope as you do.

The public event that I have seen in real life is a street food festival. It took its place on a big square in the centre of our city. It was in last January and lasted for two weeks.

The main idea of this festival was to try different street food of different cultures, so there were many people involved. There were a lot of people from different regions of Russia who cooked their delicious food. I even saw some participants from another countries, so I tried polish and german street food, but it was nowhere near as great as russian street food.

When the event ended, everyone had great emotions, because the food was delicious.

~~In 2018~~ In 2018 there was a football world championship. Some of the matches took place in my city. Kaliningras was never so cramous as in this couple of weeks. Championship took action on a newly-built stadium "Kaliningras". The teams playing were Nigeria and Russia, if I remember it right. It was one of the biggest events in the history of my city. There ~~was~~ were some good and bad consequences. The city was really dirty after all. But the government gave us some ~~no~~ money to restore the appearance of the city.

Last event I visited myself was a huge dancing party. I took my friends, dressed like a super-star and we moved on. The party took place in one of the most popular clubs of our city. It called "London", love this place. By the way, the party was two week ago. It was great. We heard music, before he even came in. I was surprised to see DJ "Americano", my favorite musician. He plays the best disco in town. He also played a lot of his songs on the party, even made some mash ups on popular songs.

We danced and sang until the evening ship sailed, as the night was black. It ended with magnificent fireworks. I've never seen so many colors in one place and in one moment. I'm so happy I came and was so upset to go home.

~~In my letter~~ I would like to describe the most mind-blowing event I have ever seen.

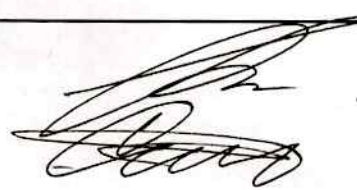

In the previous summer I was lucky enough to visit the USA. The event I ~~write~~<sup>am</sup> writing about took place in Florida and was historical-oriented. It is called "The Independence Day" and usually it is celebrated in July. I was really glad to see the americans who used their national symbols to celebrate and were proud of their country.

The event ended happily on the 5-th of July and everyone was excited to take part in the annual celebration next year.

I strongly advise you to ~~visit~~ visit the USA on the 4-th of July.
